Commissioner of Patents
U.S. Patent & Trademark Office
Washington, D.C. 20231

Sir:

Per telephone communication with applicant, the Examiner has requested that preliminary amendments to the reissue claims be entered by underlining and bracketing. Accordingly, applicant requests entry of the previously submitted Preliminary Amendment only as to the amendments to the Specification submitted by page and line numbers, and entry of the cut-up soft copy of the originally issued patent specification, but that the submission of
